Whole school messages

Just a couple of reminders now that we are back in school.

- The children are unable to bring oranges to school due to allergies that we have within school.
- All grapes, blueberries and other round fruits need to be cut in half lengthways to prevent possible choking risks.
- Any kind of make-up, including mascara must not be worn to school by the children
- Children are not to bring their own fidgets to school. Each class has their own basket of sensory items that all children can access.
- OPAL areas, including the Pirate Ship & sandpit are not to be used before or after school.
- All adults and children must walk with their bike or school once on the school site. This includes when you are on the main school drive.
- Please ensure that your child comes to school wearing the correct uniform each day. Please see the attached uniform policy for further details.
