

Tuesday 8th September

Dear parents/carers of Year 1 children,

We are writing to let you know about the exciting school trips, visitors and additional opportunities we expect to offer during this academic year in Year 1. This is to make you aware of up-coming costs and so you can make the appropriate financial arrangements. Extra school trips and visitors may be added throughout the year, but these will be of minimal or no additional cost.

Autumn Term:

- 'Dinostar' workshop - approximately £4 per child
- Church visit (no charge)

Spring Term:

- The Deep - We expect this to be approximately £20 to cover tickets, care and travel expenses. This is Year 1's 'big trip' of the year, therefore we try not to include any heavily priced activities during the rest of the academic year.
- Visit from Jenny Eldred – History of Toys topic (no charge)

Summer:

- Emergency Services visits (no charge)
- Bettison's Folley (no charge)
- Beach visit (no charge)

Please note: all of this information is subject to change and the prices are estimations. You will receive the full information about all of these events nearer the time.

School Events Payment:

Payment for school trips, visits and visitors will be through the Arbor app. Further information will be sent out prior to the event.

Yours sincerely,
The Year 1 Team
