Dear parents/carers of Year 2 pupils,

As part of the Year 2 Autumn Term's Science and Geography topic, we have arranged a very special live online virtual workshop with Yorkshire Wildlife Park. The workshop will allow the children to see some animals that are at the park, learn new information about the animals and ask the zoo keeper questions in a live session.

The workshop will be taking place within the school day on **Monday 21st September**. The sessions will be taking place within classrooms using the interactive whiteboards to view and interact with Yorkshire Wildlife Park.

The cost for this online workshop will be **£1.85** per child, which should be made via our (Arbor) online payment system by **Sunday 20th September** please. If we do not receive sufficient funds, this event may need to be cancelled.

Thank you for your support with this.

Yours sincerely,

The Year 2 Team
