Dinostar Workshop – Tuesday 10th November

Dear Year 3 Parents/Carers,

As part of the Year 3 topic 'Rockin Rocks', we have arranged a series of workshops on Tuesday 10th November. Mr Steve Plater (from the company 'Dinostar' based in Hull) will be coming in to work with all Year 3 children.

The children will continue to learn about fossils by looking at some original and some replica fossils and they will have an opportunity to 'dig' for fossils, recording the information as palaeontologists.

The workshops will be taking place within the school day, inside your child's classroom. The cost for this workshop will be £3.30 per child, which needs to be made via Arbor by Monday 2nd November. Please note that the workshop can only go ahead if enough funds are received.

If you or your child has any fossils or interesting stones/rocks that they wish to share with us, then please send them in a clearly labelled container.

Yours sincerely,
Year 3 Team

(Mrs Billam, Mrs Keenan Mrs Smith and Mrs Joy.)
